Learning Objectives

• Identify new advances in imaging technology to more properly diagnose patients with retinal diseases with less potential risk and better diagnostic acumen.
• Discuss the risk and benefits of the recently introduced therapies for neovascular age-related macular degeneration, and identify which patients might potentially benefit from their use.
• Develop an understanding of the latest surgical options for retinal detachment and macular hole repair, and the identification of patients who would benefit from which technique.

CE Credit Information — *Number of credits subject to change

In support of improving patient care, this activity has been planned and implemented by Beaumont Health and The Retina Society. Beaumont Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Medicine CME: Beaumont Health designates this live activity for a maximum of 19.5 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Breakdown of Credits: Wednesday – 4.0 Thursday – 6.0 Friday – 6.25 Saturday – 3.25

Mitigation of Conflicts of Interest: In accordance with the ACCME Standards for Integrity and Independence in Accredited Continuing Education, Beaumont Health implemented mechanisms to identify and mitigate relevant financial relationships with ineligible companies for all individuals in a position to control content of this activity.

Unapproved Use: It is the policy of Beaumont Health to require the disclosure of all references to off-label or unapproved uses of drugs or devices prior to the presentation of educational content. The audience is advised that this accredited CE activity may reference off-label or unapproved uses of drugs or devices. Please consult the prescribing information for full disclosure of approved uses.

Disclaimer: The information provided at this activity is for continuing education purposes only and is not meant to substitute for the independent medical judgment of a healthcare provider relative to diagnostic and treatment options of a specific patient’s medical condition.

How To Receive CE Credits/Contact Hours

The text message will activate the conference evaluation; if successful, you will receive a reply text: “Thank you, we have recorded your attendance...” If you miss the texting window or have problems with the text, CME staff will notify you via email by October 5, 2021 that the evaluation is available to complete.
